- In-House
  - Onshore Upstream & Midstream
  - Downstream
  - Environmental
- Intercompany collaboration
  - Downstream, Pulp & Paper
  - Renewables, LNG
  - Petrochemical
  - Offshore
  - Mining

### Asset types & Facilities

- Oil & Gas from wellhead, gathering, separation, storage, compression, pumping, injection, dehydration, sweetening, utilities, to process plants, refineries / dispatch terminal.
- Pipelines, well pads, single/multi phase sand flowlines
- Pumping, metering, pigging stations

### Services provided

Full 'Project' life-cycle: screening, conceptual, basic, FEED, detail engineering, SCM & procurement, construction Management, Commissioning & Start-Up support, Environmental Studies (permits application, right of way)

### Projects delivery capabilities

Engineering, Process, Piping & Stress, Environmental, Electrical, Civil, Supply Chain, CM, Structural, Geotechnical, Mechanical, Instrumentation, Control, Automation, Estimation & Construction, Project engineer & management, Project Control, Document Control.

### Comprehensive support areas

People & Organization, HSSE, Security, Quality Assurance, IT&S, Contracts, Procurement, Supply Chain, Legal, Finance & Payroll, Corporate Services, Strategy & Development.

### Workshare-proven program

- +10 years of projects delivery
- 1,300,000 man-hours as HVEC
- For +12 Wood offices world wide

### Main office highlights:

Located at Bogotá (4,350m<sup>2</sup>) in the most secure and nice area of the city, within the neighbourhood of Chico Norte, known for being an excellent location for working offices, and also rich in culture, parks and access ways.

The building is accessible on foot, by bike, motorcycle or car.

### Surroundings

- Hotels: 5 stars located at a walking distance.
- Parks: "Parque 93" is a lovely place for walking with great restaurants and nightlife. Usually filled with temporary art instalments, and sees frequent festivals. Spots for a picnic, with views up towards the mountains, and a laid-back, but still lively atmosphere.

### Facilities

- Parking onsite within the building (with no assigned spaces) free of charge for staff, clients and visitors.
- Coffee machines with fresh Colombian coffee beans.
- 2 rooftops for mountains view.
- Building layouts are flexible, to allow a matrix organization for smaller projects and task force areas for larger projects.
- Secure task force areas can be installed where necessary, incorporating customer offices and project meeting rooms.
- IT security per Wood's global.

### Other Locations:

- Villavicencio (800m<sup>2</sup>)
- Barrancabermeja (320m<sup>2</sup>)
- Cartagena (210m<sup>2</sup>)
- Neiva (110m<sup>2</sup>)
- Yopal (105m<sup>2</sup>)

### Accreditation:

- ISOs 9001, 14001 & 45000
- RUC® 98% (Colombian HSE score)
