Any such delegation may be made upon such terms and conditions (including power to sub-delegate) as the Security Agent reasonably thinks fit and, subject to any confidentiality provisions in the Interim Facility Agreement the Security Agent or Receiver may pass confidential information to any such delegate.

22 Expenses

- 22.1 The Chargor shall, within five Business Days of demand, pay to the Security Agent the amount of all costs, losses, liabilities and expenses (including legal fees) reasonably incurred by the Security Agent or any Receiver in relation to any Finance Document (including the administration, protection, realisation, enforcement or preservation of any rights under or in connection with this Agreement, or any consideration by the Security Agent as to whether to realise or enforce the same, and/or any amendment, waiver, consent or release of any Finance Document and/or any other document referred to in this Agreement).
- 22.2 Clause 12.7 (VAT) of the Interim Facility Agreement shall apply as if it were set out in full in this Agreement, save that references in that clause to "Finance Party" shall be treated in this Agreement as being to "Secured Party".

23 Indemnity

- 23.1 The Chargor shall, within three Business Days of demand, indemnify the Security Agent and any Receiver against any cost, loss, liability or expense incurred by it or them as a result of:
- 23.1.1 any breach by the Chargor of this Agreement; or
- 23.1.2 the exercise or purported exercise of any of the rights, powers, discretions, authorities and remedies conferred on it or them by this Agreement or otherwise relating to the Security Assets.

24 Further Assurance

- 24.1 Subject to the terms of this Agreement and the Security Principles, the Chargor shall promptly do all such acts or execute all such documents (including assignments, assignments, transfers, mortgages, charges, pledges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):
- (i) to perfect the Security created or intended to be created under or evidenced by this Agreement (which may include the execution of a mortgage, charge, assignment, assignment or other Security over all or any of the assets which are, or are intended to be, the subject of the Security Interests) or

for the exercise of any rights, powers and remedies of the Security Agent or the Secured Parties provided by or pursuant to the Finance Documents or by law; and/or (ii) to facilitate the realisation of the assets which are, or are intended to be, the subject of the Security Interests.

- 24.2 If the Chargor sells, transfers, leases or otherwise disposes or purport to agree to dispose of all or any of the Pledged Asset in breach of Clause 6.5 or Clause 6.6 or any consent issued in respect of such sale, transfer, lease or disposal or agreement to dispose does not meet the requirements of clause 6.6, the Chargor shall promptly do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, pledges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)).
- 24.3 Subject to the terms of this Agreement and the Security Principles, the Chargor shall take all such action as is available to it (including making and assisting with all filings, applications and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to this Agreement.
- 24.4 The Chargor must, at its own expense, take whatever action the Security Agent or a Receiver may require for:
- 24.4.1 complying with the Security Agent's obligations to respond to requests for information under section 36 and/or section 107 of the MTA 2023 (and the Chargor hereby consents to the disclosure by the Security Agent of all such information to any entitled person); or
- 24.4.2 responding to requests for information, documents and evidence from or on behalf of a debtor (as the term "debtor" is defined in section 41(1) of the MTA 2023) as a result of the operation of section 15 of the MTA 2023 (and the Chargor hereby consents to the disclosure by the Security Agent of all such information, documents and evidence to any Counterparty or relevant account bank, as the case may be).

25 Mandate and Attorney

25.1 Appointment

The Chargor by way of security irrevocably appoints the Security Agent, each Receiver and each Delegate severally to be its attorney (with full power of substitution), on its behalf and in its name or otherwise, at any time after the occurrence of an Event of Default that is continuing and in such manner as the attorney thinks fit:

- 25.1.1 to do anything which the Chargor is obliged to do under this Agreement or any Finance Document to which it is party but has failed to do (including to do all such acts or execute all such documents, assignments, transfers, mortgages, charges, notices, instructions,

filings and registrations as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)); and

25.1.2 to exercise any of the rights conferred on the Security Agent, any Receiver or any Delegate in relation to the Security Assets under this Agreement or any other Finance Document or under any applicable law.

25.2 Ratification

The Chargor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of the power of attorney granted by it in Clause 25.1 (*Appointment*).

26 Miscellaneous

26.1 Continuing Security

Subject to Clause 27 (*Discharge of Security*), the Security Interests created by or pursuant to this Agreement is a continuing security and will extend to the ultimate balance of the Secured Obligations regardless of any intermediate payment or discharge in whole or in part.

26.2 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of the Chargor or any Obligor or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation or otherwise, without limitation, then the liability of the Chargor and any Obligor and the Security Interests will continue or be reinstated as if the discharge, release or arrangement had not occurred.

26.3 Waiver of defences

Neither the obligations of the Chargor under this Agreement nor the Security Interests will be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under any Finance Document or any of the Security Interests (without limitation and whether or not known to it or any Secured Party) including:

26.3.1 any time, waiver or consent granted to, or composition with, the Chargor, Obligor or other person;

26.3.2 the release of the Chargor, any Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

- 26.3.3 the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Chargor, Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- 26.3.4 any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Chargor, Obligor or any other person;
- 26.3.5 any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- 26.3.6 any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- 26.3.7 any insolvency or similar proceedings.

26.4 **Chargor intent**

Without prejudice to the generality of Clause 26.3 (*Waiver of defences*), the Chargor expressly confirms that it intends that the Security Interests shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

26.5 **Immediate recourse**

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Chargor under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement or any other Finance Document to the contrary.

26.6 **Appropriations**

Until all amounts which may be or become payable by the Obligors or the Chargors under or in connection with the Finance Documents have been irrevocably paid in full and all facilities which might

give rise to Secured Obligations have terminated, each Secured Party (or any trustee or agent on its behalf) may:

- 26.6.1 refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Chargor shall be entitled to the benefit of the same; and
- 26.6.2 hold in an interest-bearing suspense account any moneys received from the Chargor or on account of the Chargor's liability under this Agreement.

26.7 **Deferral of Chargor's rights**

Until all amounts which may be or become payable by the Obligors or the Chargors under or in connection with the Finance Documents have been irrevocably paid in full and all facilities which might give rise to Secured Obligations have terminated and unless the Security Agent otherwise directs, the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Agreement or any other the Finance Documents:

- 26.7.1 to be indemnified by the Chargor or an Obligor;
- 26.7.2 to claim any contribution from any other Chargor or guarantor of any Obligor's obligations under the Finance Documents;
- 26.7.3 to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Secured Party;
- 26.7.4 to bring legal or other proceedings for an order requiring any Obligor or the Chargor to make any payment, or perform any obligation, in respect of which the Obligor or the Chargor had given a guarantee, undertaking or indemnity;
- 26.7.5 to exercise any right of set-off against any Obligor or the Chargor; and/or
- 26.7.6 to claim or prove as a creditor of any Obligor or the Chargor in competition with any Secured Party.

If the Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Obligors or the other Chargors under or in connection with the Finance Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or

transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with Clause 20 (*Application of Enforcement Proceeds*).

26.8 **Additional security**

The Security Interests are in addition to and are not in any way prejudiced by any other guarantee or security now or subsequently held by any Secured Party.

26.9 **Payments**

All payments by the Chargor under this Agreement shall be made to such account, with such financial institution and in such other manner as the Security Agent may direct.

26.10 **Continuation of accounts**

26.10.1 At any time after a Secured Party has received or is deemed to have received notice of any subsequent Security affecting all or any part of the Security Assets of the Chargor, that Secured Party may open a new account in the name of the Chargor (whether or not it permits any existing account to continue).

26.10.2 If that Secured Party does not open such a new account, it shall be treated as if it had done so when the relevant notice was received or deemed to have been received and as from that time all payments made by or on behalf of the Chargor to that Secured Party shall be credited or be treated as having been credited to the relevant new account and not as having been applied in reduction of the Secured Obligations as at the time the relevant notice was received or deemed to have been received.

26.11 **Contingencies**

If all or any part of the Security Interests are enforced at a time when no amount is due under the Finance Documents but any such amount may or will become due, the Security Agent or the Receiver may pay the proceeds of any recoveries effected by it into a suspense account.

27 **Discharge of Security**

27.1 Subject to Clause 27.3, if the Security Agent is satisfied that all amounts which may be or become payable by the Obligors or the Chargors under or in connection with the Finance Documents have been irrevocably paid in full and that all facilities which might give rise to Secured Obligations have terminated, the Security Agent shall at the request and cost of the Chargors promptly take any action, including preparing and delivering all documents and instruments (including any termination or release letter or deed) and performing all acts or deeds (including returning title documents, share certificates, related share transfer forms and any other document belonging to such Chargor) which are, in each case, necessary to release, reassign and/or discharge (as appropriate) the Security Assets from the

Security Interests, without recourse to, or any representation or warranty by, the Security Agent or any of its nominees.

- 27.2 Subject to clause 20.4(*Disposals*) of the Interim Facility Agreement, the Security Agent shall at the request and cost of the Chargor (and without any consent, sanction, authority or further confirmation from any other Secured Party) promptly take any action, including preparing and delivering all documents and instruments (including any termination or release letter or deed) and performing all acts or deeds (including returning title documents, share certificates, related share transfer forms and any other document belonging to the Chargor) which are, in each case, necessary to release, reassign and/or discharge (as appropriate) any Security Asset from the Security Interests and provide a certificate of non-crystallisation of the floating charge created under this Agreement (insofar as that charge has not crystallised).
- 27.3 If the Security Agent (acting reasonably) considers that any amount paid or credited to any Secured Party under any Finance Document is capable of being avoided or otherwise set aside, that amount shall not be considered to have been paid for the purposes of determining whether all the Secured Obligations have been irrevocably paid.

28 Third Party Rights

- 28.1 Unless expressly provided to the contrary in a Finance Document a person who is not a Party has no right under the Third Parties Act or otherwise to enforce or enjoy the benefit of any term of any Finance Document.
- 28.2 Notwithstanding any term of any Finance Document, the consent of any person who is not a Party is not required to rescind or vary any Finance Document at any time.
- 28.3 Any Receiver or Delegate may, subject to this Clause 28 and the Third Parties Act, rely on any Clause of this Agreement which expressly confers rights on it.

29 Remedies, Waivers and Determinations

- 29.1 No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right or remedy under any Finance Document shall operate as a waiver of any such right or remedy or constitute an election to affirm any of the Finance Documents. No waiver or election to affirm any of the Finance Documents on the part of any Secured Party shall be effective unless in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Finance Documents are cumulative and not exclusive of any rights or remedies provided by law, including the right to appoint an Administrator under the Insolvency Act.

29.2 Any certification or determination by the Security Agent or any Receiver of a rate or amount under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

30 Partial Invalidity

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision under the law of any other jurisdiction will in any way be affected or impaired.

31 Notices

Any communication to be made under or in connection with this Agreement shall, subject to the provisions of the MTA 2023 in relation to notices, be made in accordance with Clause 32 (*Notices*) of the Interim Facility Agreement.

32 Counterparts

32.1 Where executed in counterparts:

32.1.1 this Agreement shall not take effect until all of the counterparts have been delivered; and

32.1.2 delivery will take place when the date of delivery is agreed between the Parties after execution of this Agreement as evidenced by the date inserted at the start of this Agreement.

32.2 The Chargor hereby authorises the Security Agent or its agent or its nominee to insert the date of delivery of this Agreement at the start of this Agreement.

33 Governing Law and Jurisdiction

33.1 This Agreement and any non-contractual obligations arising out of or in connection with it are governed by Scots law.

33.2 The Scottish courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a "**Dispute**").

33.3 The Parties agree that the courts of Scotland are the most appropriate and convenient courts to settle Disputes and accordingly no party to this Agreement will argue to the contrary.

33.4 Notwithstanding Clause 33.2 and 33.3, the Security Agent shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Agent may take concurrent proceedings in any number of jurisdictions.

IN WITNESS WHEREOF these presents consisting of this and the preceding 38 pages and the Schedule are executed as follows, and, if executed in counterpart in terms of the Legal Writings (Counterpart and Delivery) (Scotland) Act 2015, are delivered for the purposes of that Act on the date set out on page 1 of this Agreement:
